

Delegation of Rights and Non Violation Statement

'Who cares?' is a project, developed in the framework of the study course Interactive Media Design of Hochschule Darmstadt - Faculty of Media, during the Summer Term 18.

It is a groupwork of: Aylin Özdemir, Franziska Baum, Isabell Nguyen, Matthias Dietrich (CareForce).

It was mentored by: Andrea Krajewski, Garrit Schaap, Dieter Stasch.

We (CareForce) herewith delegate the non exclusive and timewise non restricted rights to publish and present the results of the project 'Who cares?' to the Professors of Hochschule Darmstadt and to the coaches directly connected to the academic supervision of this project, named above. In the same time the student project team declares that with the project no intellectual properties rights of third parties have been harmed.
